

Product list Healthy sweets

【Gluten Free Dairy Free Egg Free Nuts Free, Vegan】
【No Artificial Flavoring, Colorings, or Preservatives】

[Superfood] Contains Tigernuts: Tigernuts are an incredibly nutritious food, with lots of dietary fiber, vitamin E, oleic acid, and minerals such as iron and magnesium. In addition to being rich in nutrients, tigernuts are low in calories (compared with regular nuts), and are known as a superfood particularly suited for women.

*Tiger nuts are a type of tuber, and are not actually a nut.
